Energy Crisis '77

Running Out Of Gas, Rhodes Pushes Co

By STEVE WILSON
Columbus Bureau Chief

COLUMBUS, Ohio—Gov. James A. Rhodes late Thursday declared an energy crisis in Ohio giving him unprecedented powers to issue, amend or suspend rules of state and local agencies to cope with the state's dwindling supplies of natural gas.

The governor, in outlining a seven-step program to help ease the potential disastrous impact of the energy crisis, stopped short of ordering the closing of any schools, stores or industries stating that limited gas supplies had already meant closings for many of them.

"We're not ordering the schools to close," Rhodes said, "because there is no natural gas for the schools."

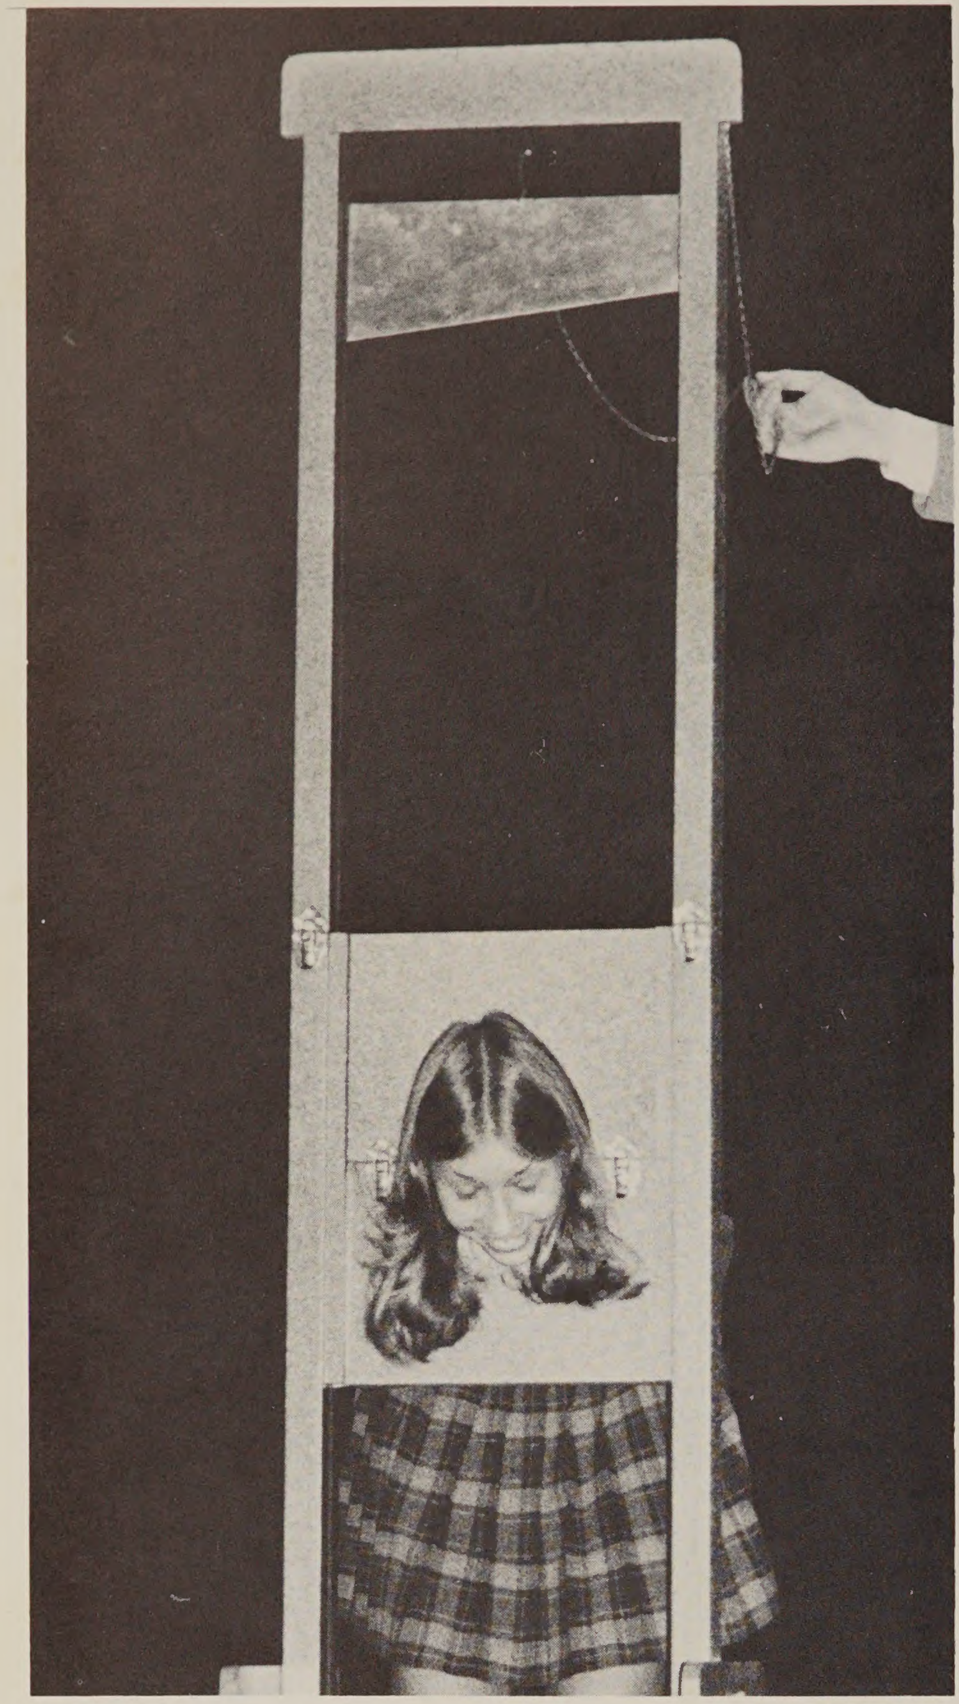
The Show Must Go On

Bad takes are cut out but not wasted.



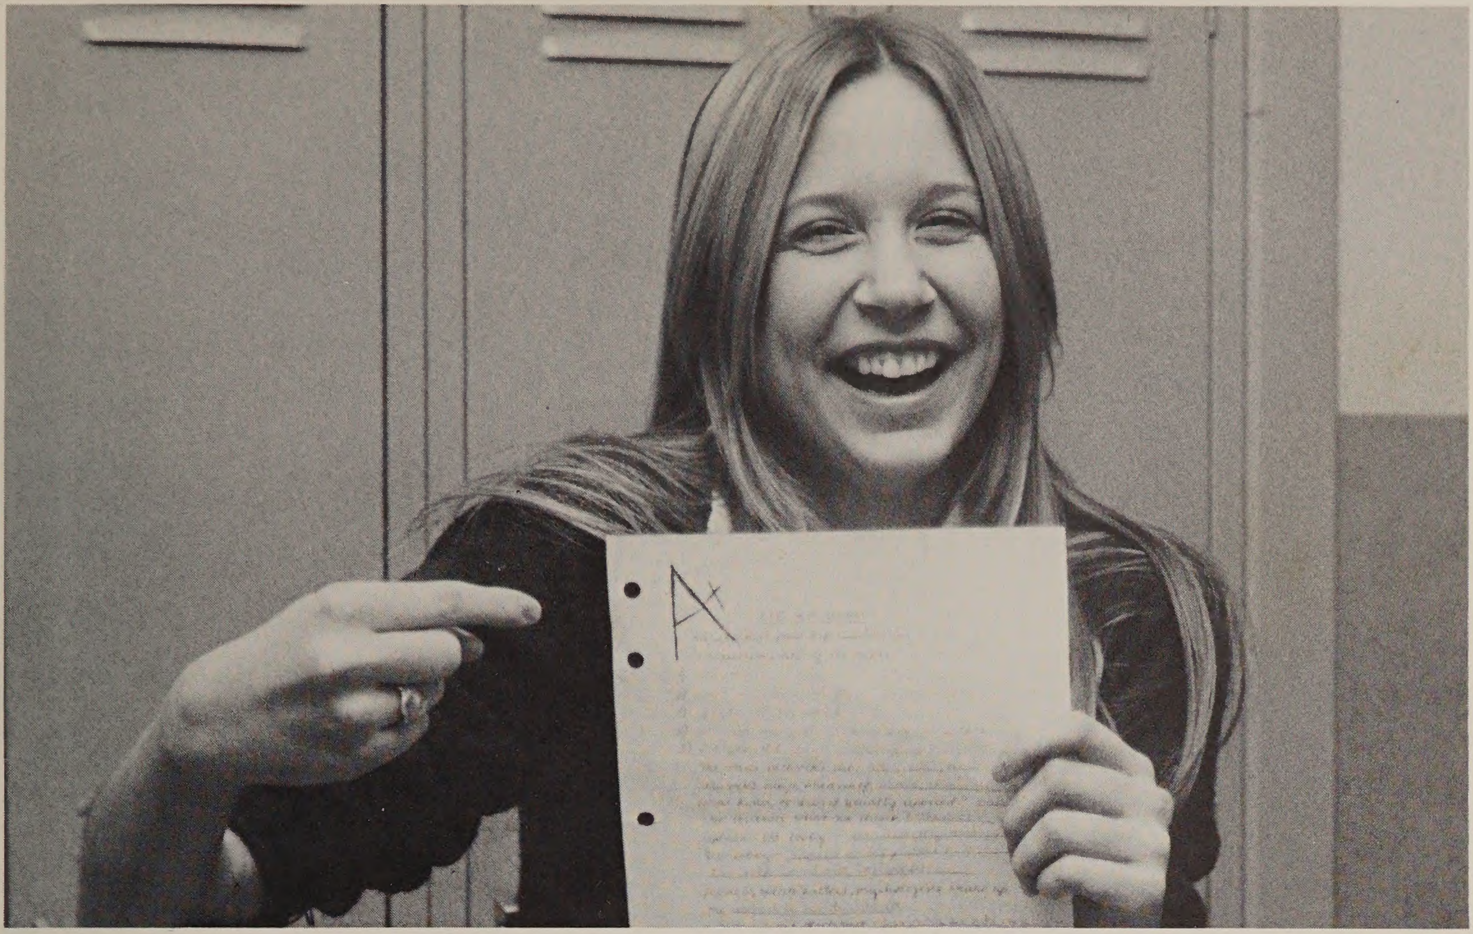
"Having a bad day, Nancy?"

Dazed and confused.

Better known as the point system.

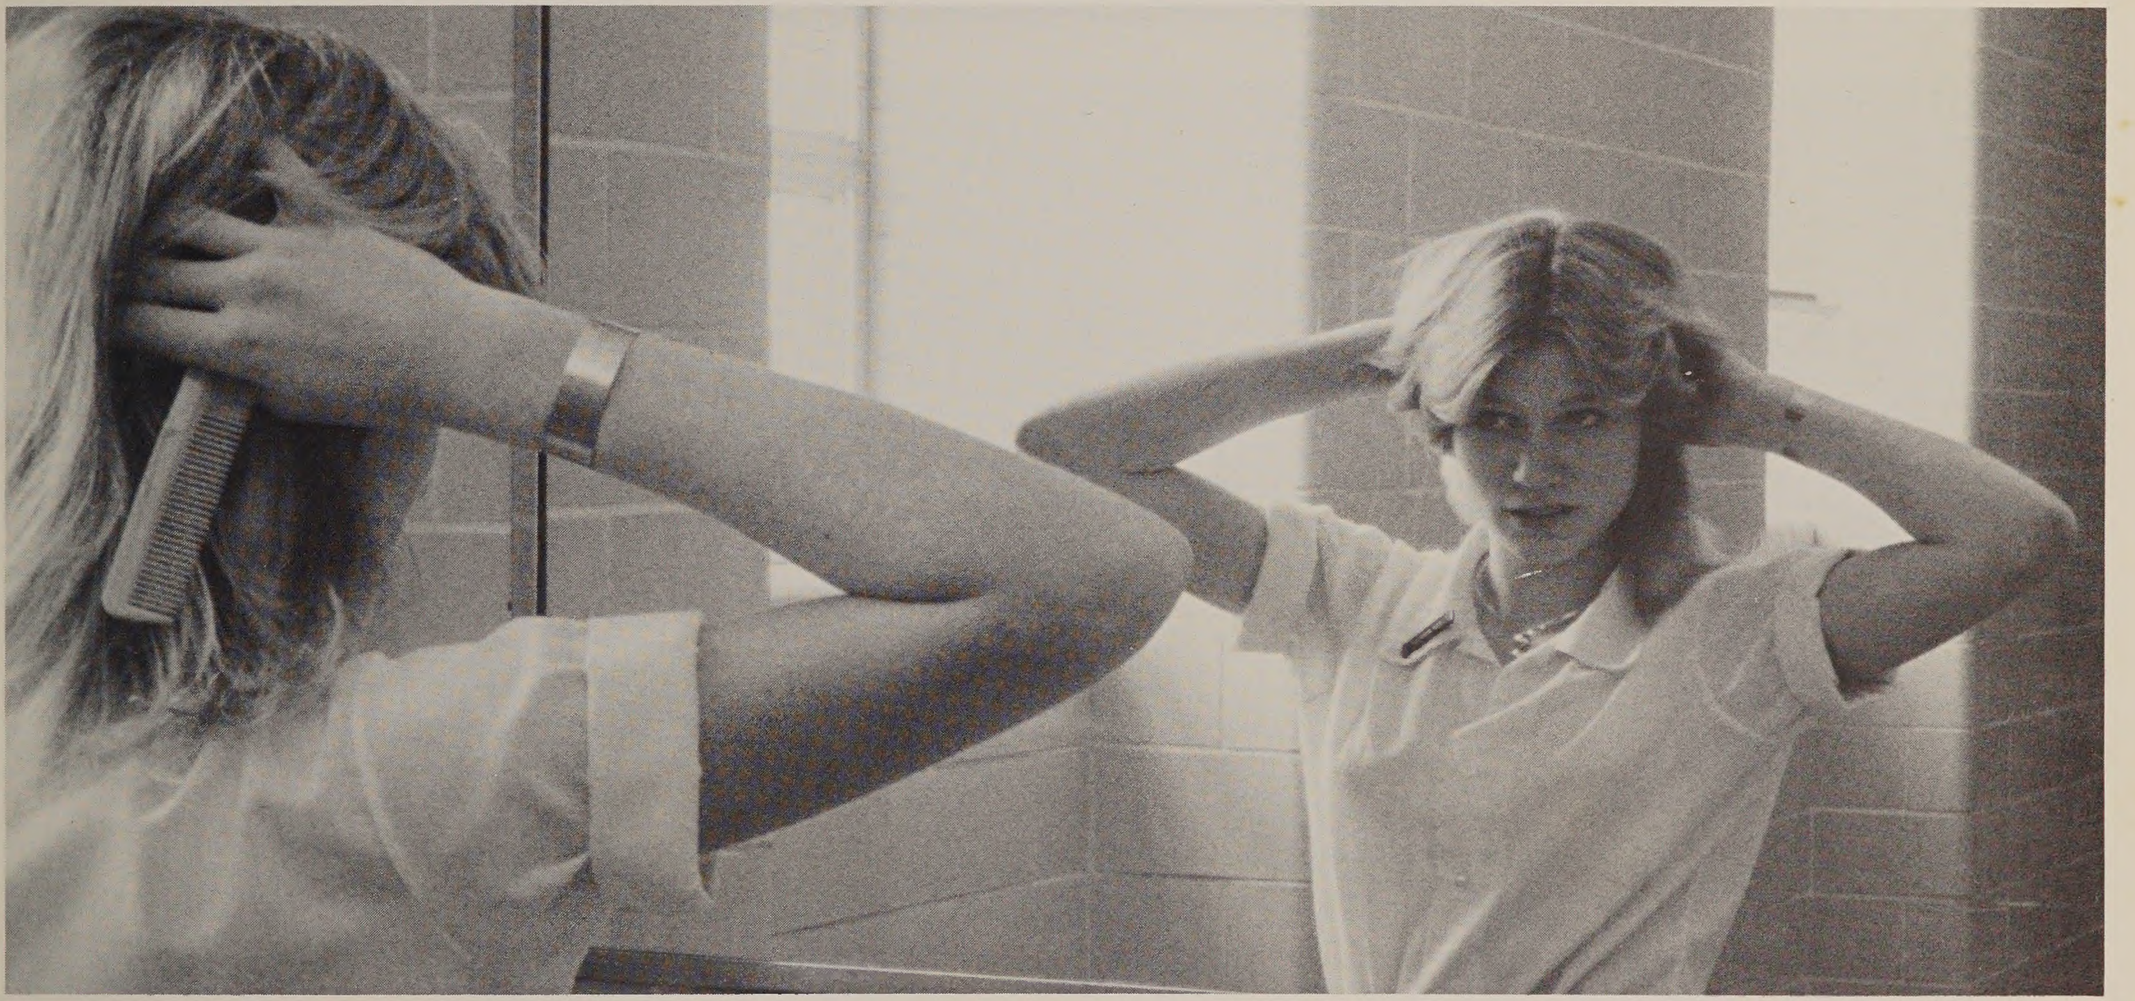
Everyone learns from experience.

The good times are always added to the final draft.



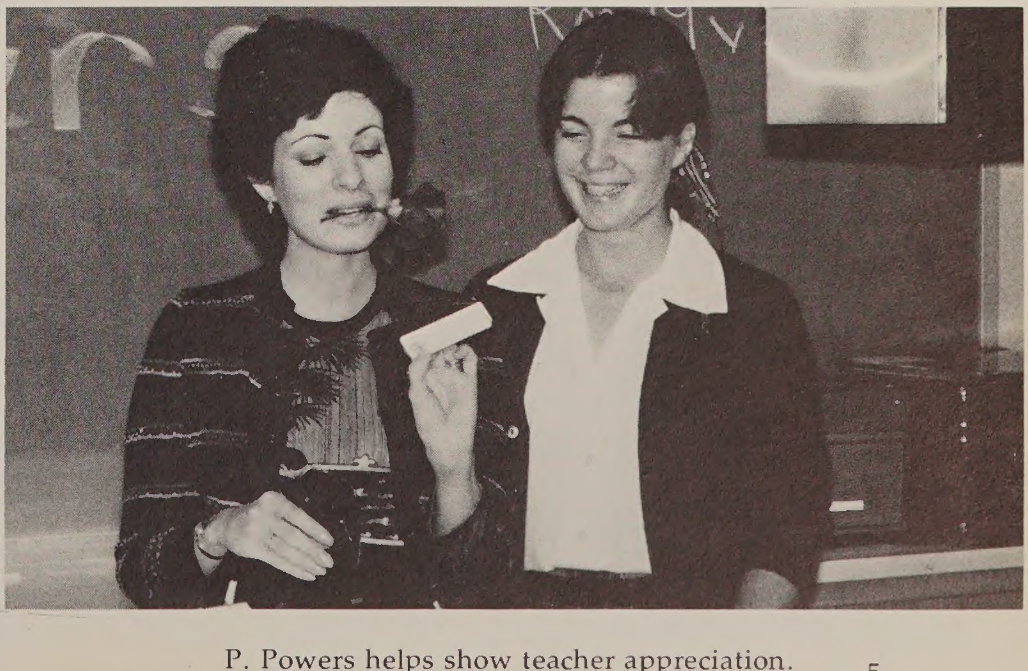
"Good?" says A. Schneider, "This is great!"

M. Hudepohl.



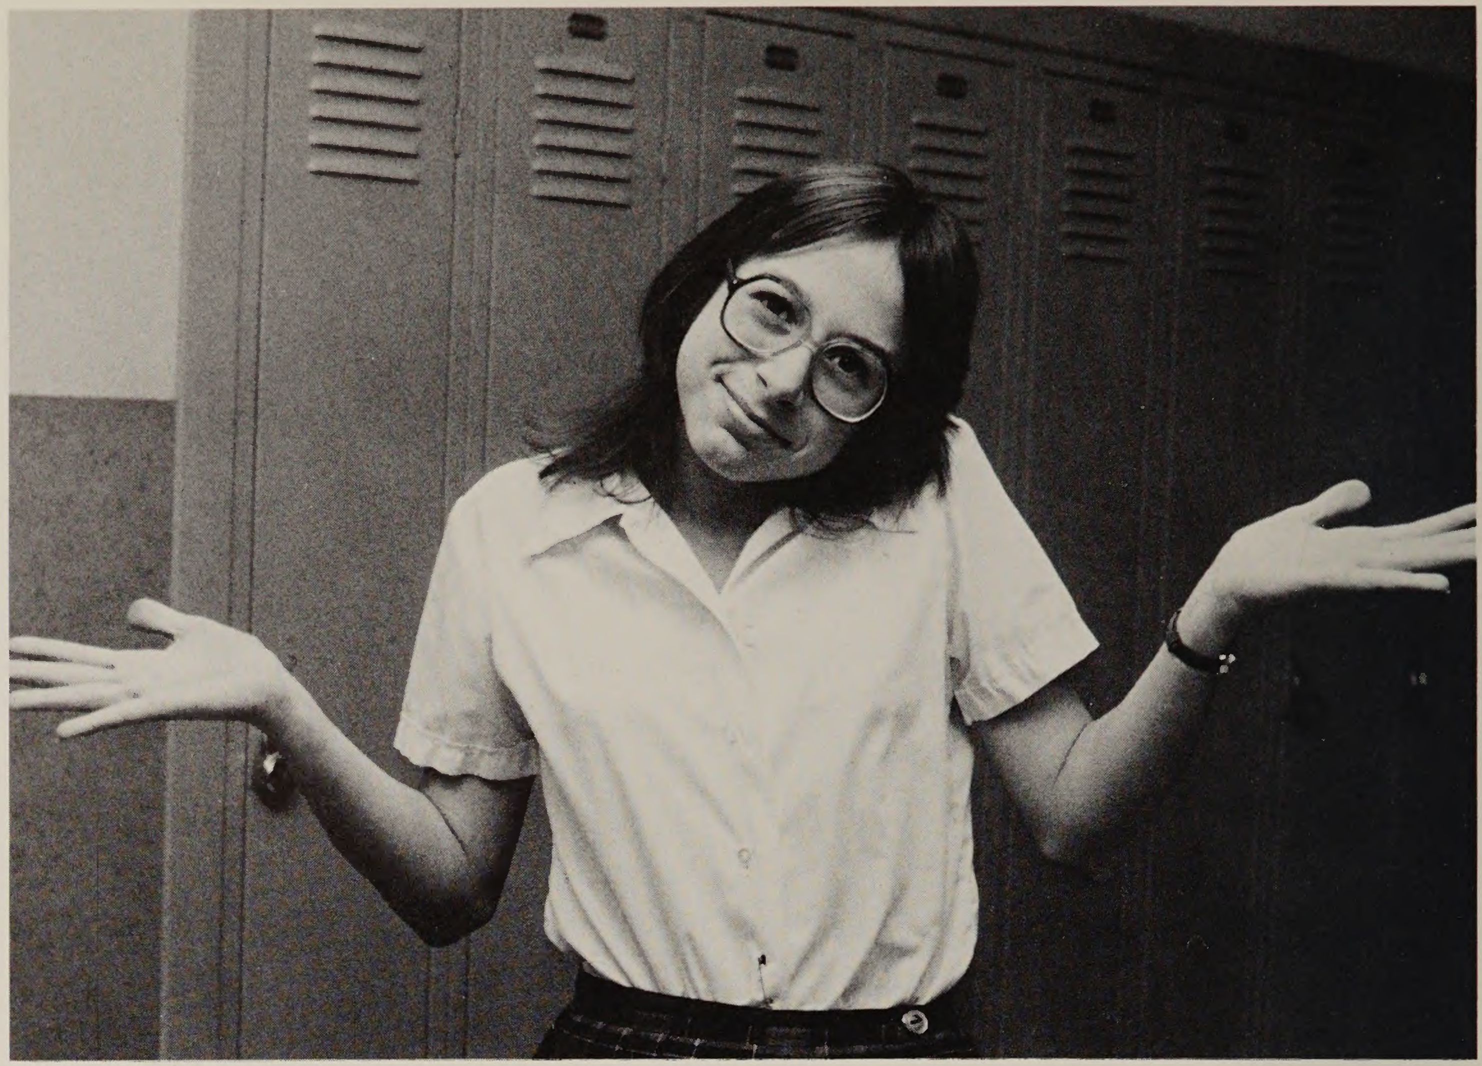
"I usually can't do a thing with it!" marvels P. Marples.

L. Discepoli is Miss Mars.



P. Powers helps show teacher appreciation.

We are actresses and actors who haven't memorized our parts.



Behind closed doors.

K. Betsch and M. Massa are budding actresses.

Our Technical Advisers Take

We asked our Technical Advisers to, in their minds, take a walk down memory lane to revive a few special memories.

Miss Diane Green — "using live frogs in Biology and while working with them, the fire drill bell rang — frogs were hopping all over the biology lab."

Sr. Marjorie Rudemiller — "while giving a blender demonstration I forgot to put the lid on before turning the blender on, and we instantaneously had strawberry souffle everywhere."

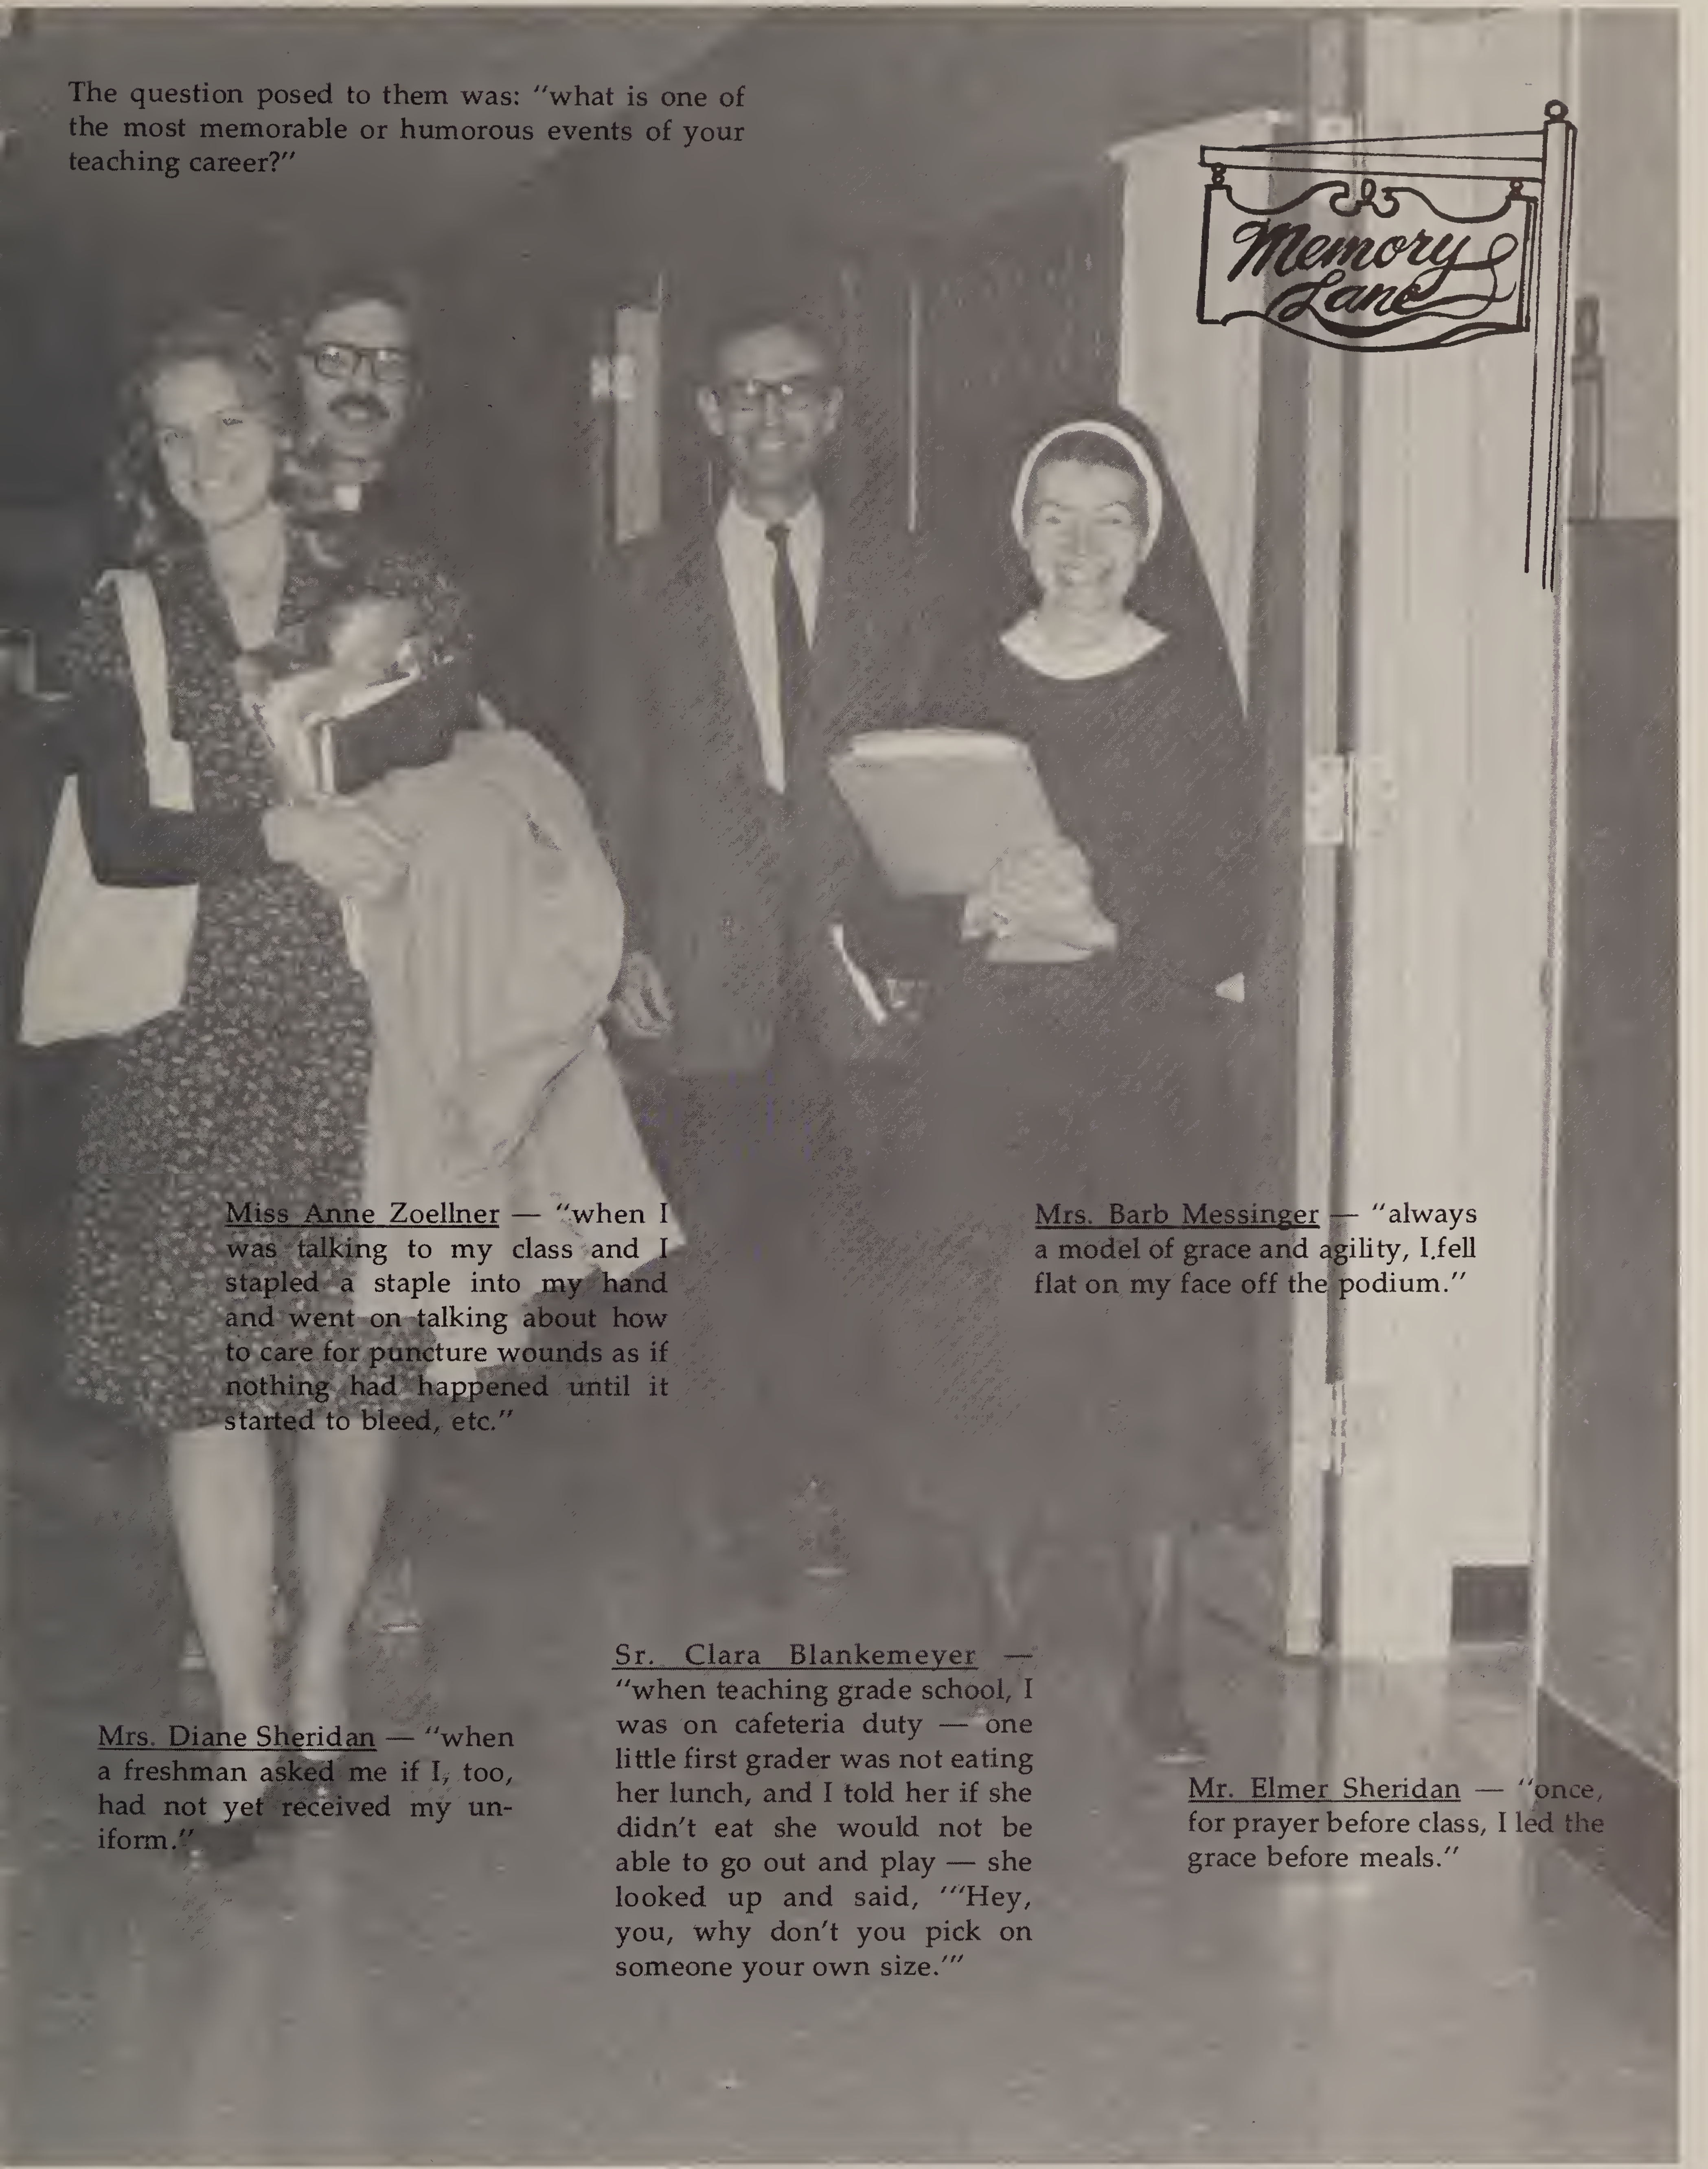
Miss Mary Gerth — "my most memorable moment in teaching comes every Monday morning at 8:45."

Mrs. Carol Yeazell — "when I bumped into a garbage can and said 'Excuse me.' "

Mr. Fred Haas — "one event which stands out in my mind is the time that the students forgot my birthday and 6 months later they decided to have a ½ a birthday party. Needless to say, the gifts they presented as well as the cake were all ½'s. Examples: cigars cut in ½, and ½ of a necktie etc."

A Walk Down Memory Lane

The question posed to them was: "what is one of the most memorable or humorous events of your teaching career?"



Miss Anne Zoellner — "when I was talking to my class and I stapled a staple into my hand and went on talking about how to care for puncture wounds as if nothing had happened until it started to bleed, etc."

Mrs. Barb Messinger — "always a model of grace and agility, I fell flat on my face off the podium."

Sr. Clara Blankemeyer — "when teaching grade school, I was on cafeteria duty — one little first grader was not eating her lunch, and I told her if she didn't eat she would not be able to go out and play — she looked up and said, '"Hey, you, why don't you pick on someone your own size."'"

Mrs. Diane Sheridan — "when a freshman asked me if I, too, had not yet received my uniform."

Mr. Elmer Sheridan — "once, for prayer before class, I led the grace before meals."

Kathy Paul — V.P.

Four years of my life have passed so swiftly by.
I've learned so much in that time;
It's so hard to say good-bye.

But now it's time for me to go.
I must go out in this world alone.
I'll admit to you I'm really scared.
But I think I'm prepared.

You've given me guidelines to live by,
You've taught me the meaning of love.
And I thank you for your trust,
But I have to say good-bye.

But now it's time for me to go.
I must go out in this world alone.
I'll admit to you I'm really scared.
But I think I'm prepared.

My friends, you've really helped me grow up,
And helped me know myself.
And although I'll miss you so much,
It is time to say good-bye.

And now it's time for me to go.
I must go out in this world alone.
I'll admit to you I'm really scared.
But I know I'm prepared.

This year, with a combined efforts of the class officers, homeroom presidents, and the entire Junior class, we managed to gain the spirit and zest that our class had failed to show in the past. The results included second place in the raffle, a good outcome in the paper drives, a terrific prom, and a very impressive ring ceremony. With continued dedication next year, it will be possible to have a very memorable senior year for all of the class of '78.

Tennis Anyone?

Bottom row: (l-r) Marianne Kemme, Peggy Grause, Sally Zureick, Tami Cohen. Top Row: Becky McCarthy, Lisa Gerbus, Jenny Davis, Rosie Stemerick.

Tennis, although a rather new sport at McAuley, could boast of a creditable performance by all members of the team. The season ended with a record of 7 wins and 2 losses. One important aspect gained this year was experience, and they hope for an even better season next year.

Coaches Mr. Rice and Miss Zoellner

We started with a talented group of individuals and finished the season with a solid competitive team. This is evident in their outstanding 10-2 record for the season."

McAuley's Junior-Varsity Basketball Team had a highly successful season during the 1976-1977 school year. The squad was young (5 Freshmen and 4 Sophomores) and therefore achieved much more than expected. Led by Joan Deno along with other starters Mary Bunch, Katie McMahon, Erin Sullivan, Beth Meyer, and supported by Laura Discepoli, Mary Lammert, Erin Mohahon, and Jeanette Henke, the girls finished the season with a 10-2 record and were co-champions of the GGCL with a 9-1 made in league competition.

Gathering a moment of concentration.

The thrill of victory strikes again.

Anticipation is making them wait.

A Freshman team was formed this year to give our incoming girls an opportunity to learn the basic techniques of basketball. The team developed quite nicely as is evident by their 5-2 record. This was a good experience for the girls and with the skills they acquired, they will be a great asset to the Junior-Varsity team next year.

Marisue Findley, a senior forward, averaged 18.2 points and 11.2 rebounds a game. She was elected by the Cincinnati Enquirer to the All-City First Team.

Jenny Heil, a senior center, averaged 15.4 points and 11.3 rebounds a game. She was elected by the Cincinnati Enquirer to the All-City Second Team.

Both Seniors were co-captains this year.

The overall season was very successful for the returning Varsity: Kathy Waymire, Melissa Harney, and Julie Leahy, all of whom played a great deal. For hold-overs, Cathy Burns, and Marianne Cady, expectations are high for next year as well. In addition to these girls, a number of girls from the successful Junior Varsity team will join the varsity next year.

Safety Council held a car wash on April 16 at the Monfort Heights Shell. Thanks to the great turnout and beautiful spring weather, the profits were spectacular. In the hopes of reaching the goal of five hundred dollars for the upkeep of the parking lot, Safety Council tried their luck at a donut sale. Klostermans provided a wide variety of donuts, and the students provided the appetites. The first sale was held in April and the second in May. Both were well-received. Safety Council successfully accomplished two new money-making events and looks forward to another good year in '77-'78.

Share's Phillipine's Sale

Purses and bags galore!

About two weeks before Christmas, Share sponsored a Phillipine's sale with the help of Mrs. Pierson. The sale ran for three days, selling handcrafted goods ranging from purses to macrame hangings. The items were handmade by Phillipine children and adults. They made great inexpensive Christmas gifts. The efforts of the sale were rewarded with the profits of between four hundred and five hundred dollars which was sent to the people in the Phillipines. Thanks to the Share members who participated and the women who helped, the sale proved to be a worthwhile project.

At 11:00 the Freshmen and Seniors were freed from the normal routine of student life at McAuley for a two hour needed and well-deserved break. After the Seniors presented their unique version of Mr. Kotter and his Sweathogs, taking advantage of the Frosh Sweatpiggies, the entire Senior class welcomed their Freshman siblings by singing the appropriate song "Welcome Here." Following the theatrical festivities, the Freshmen were escorted to the picnic area where all feasted on everything from large pizzas (with everything) to chicken dinners or cheese-flavored Doritos and baby bottles filled with Coke. But time went fast, and at 1:00 games and snacking ended and all slowly made their way back to classes.

The day was a memorable one for all involved. It will linger with time in the photographs and the memories of Big and Little Sisters alike.

Student Council Week (Oct. 11-15) was a fun-for-all week to drum up spirit for the school. Magician Tom Spinneweber, our special guest star, fascinated the students and made the week memorable. Thursday Oct. 14, "Old Purse Day," provided an enjoyable and different occasion. To conclude the week, hot pretzels were sold for a special treat. The entire week was a success since many people did discover their Student Council.

Students are busy after school at workshop.

With the help of Miss Pohl, the school held a Mock Election on October 20, 1976. The presidential-vice-presidential candidates were Gerald Ford (Tricia Lampe) and her V-P Robert Dole (Eileen Peters); Jimmy Carter (Toni Bitter) and her V-P Walter Mondale (Jodi Poulos); Lester Maddox (Raeann Reiber), and Eugene McCarthy (Gayle Sears). There was also a race for U.S. Representative and Senator. The Republicans made a sweep. Ford, Taft, and Clancy beat Carter, Metzenbaum, and Luken.

Student Recognition

The first Student Recognition Program recipients: A. Lammert, P. Klosterman, and M. Hollstegge.

Student Council initiated a program to "recognize students who give of their time in service to their school, church, and community." The Service Recognition Program included a Recognition Board (five students and one faculty member) which reviewed all nomination forms submitted by the girl herself, another student, or a faculty member.

This year the recognition awards were given only at the conclusion of the first quarter. Student Council hopes to continue the program next year and will revamp the intended quarterly recognition to end-of-the year awards only.

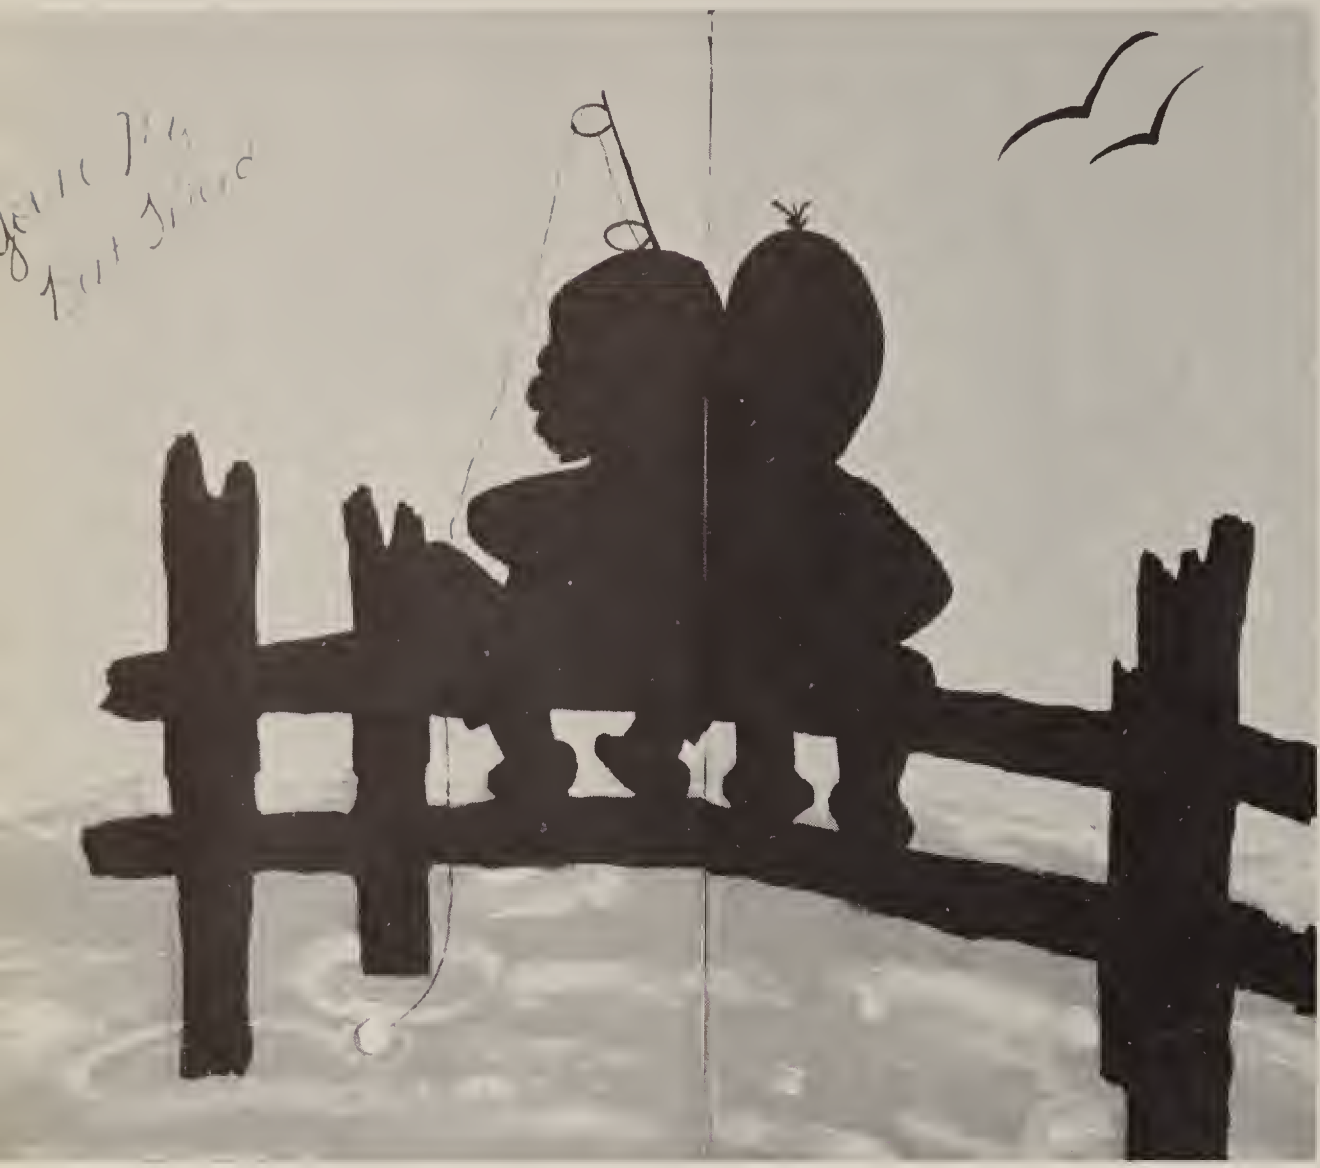
Fall Date Dance — October 23



A sign of "Friendship"

The cast of the production took time out to enjoy this evening. "Continental Rhythm" provided the music. The theme was "You're my best Friend" . . . OOOh you make me live, whatever this world can give to me; it's you; you're all I see, oooh you make me live now honey; ooo you make me live; you're the best friend that I ever had . . . The actresses were allowed time off from their daily roles to think back on all the time and effort they had invested in each scene. Each person tried to seek out some new ideas about herself and searched inwardly for her real identity in the midst of all the role playing. The cast found it helpful to their careers and lives.

A contest within a contest.

The Class of '79 gathered together after school for the annual Sophomore Halloween Party. A panel of faculty members judged attendants in three categories: best costume, best homeroom (the Room 219 Circus), and the most original pumpkin (Room 127). The decisions were tough ones, but winners or losers, all had a terrific time.

The party was enhanced by special appearances by The Fonz, Squiggy, and Laverne of "Happy Days."

Raffle — Nov. 10-Dec. 5

The seniors were this year's stars in the raffle by bringing in the most money for their efforts. Mr. Junker and his cast of leading actresses played the role of winning homeroom. This production, through the work of each player, was a tremendous success for McAuley.

ASK ANY GIRL — Nov. 13-15

The Genesians of McAuley — assisted by La Salle and Roger Bacon students — presented "Ask Any Girl," a comedy about a young girl who goes to New York to learn about life, as their annual fall play. Audience reception proved it to be a play well-performed. Cast, crews and directors (Miss Mary Jo White and Pat Smith) were highly commended.

Mini-Course Day — Nov. 17

After many long hours of hard work and much organization, McAuley's third annual Mini-Course Day resulted in it's third annual success. Along with the time and effort invested by the committee responsible for the program's success came quite a few quizzical stares. Those passing by the loose-leaf-paper-trimmed lockers next to the library often did not hesitate to raise an eyebrow or two; but this was the closest thing to computer processing available to the committee in charge of arrangements. A sheet of paper for each course and tour was arranged alphabetically on the lockers and, one by one, each student was more or less rationed into her respective categories. Hopefully Mini-Course Day has become a permanent tradition at McAuley thanks to committees like this year's which was again chaired by Mrs. Carol Yeazell.

One of the highlights of McAuley H.S. Productions has always been the annual Christmas concert — an evening performance combining the talents of some of the industry's finest musicians and vocalists. All who gathered for this year's performance couldn't help but feel a part of this ensemble through the spirited lyrics and music played.

D. Schulenberg plays a flute solo.

The Christmas Skit — "A Quest for Christmas"

This year the students and faculty of McAuley chose to eliminate the staging of individual Christmas skits. Instead, the efforts of all four classes were combined in order to present "A Quest for Christmas" which deals with a skeptic in search of the essence of Christmas. The cast and performance were well received, and together they intensified the Christmas spirit of all assembled.

Senior Retreat — January 26-30

Each year McAuley High School sends four groups of senior girls to Maria Stein Retreat House in Maria Stein, Ohio. This year was a little different. Instead of four groups going, only two went, but the first one was the only group fortunate enough to have a retreat. As the second group was on its way to Maria Stein, they turned back when they arrived in Piqua, Ohio. It just so happened that the great snow of '77 also struck during the time of retreats. The first group of girls was snowed-in by unclear roads and large snow drifts. The first retreat, up to that point, had worked for many hours with their retreat leaders, but as soon as the news broke about being marooned, it was all fun and games. The girls remembered their full-day stay at Maria Stein as an "unreal experience."

Good-bye, McAuley! Hello, Maria Stein.

We began with bits and pieces of ideas, each person having fragments of thoughts and feelings to contribute.

Snow/Energy Days

McAuley students had a special, unexpected treat this year — 17 days free of school. The below-freezing weather, drifting snow, and lack of energy caused McAuley to close its doors. Although the students enjoyed their absence from school, teachers gave long term assignments to keep them busy. When the doors re-opened, students were permitted to bundle up in jeans and sweaters without an "out of uniform slip."

Sophomore Father-Daughter Dance

"I Could Have Danced All Night," the theme of this year's Sophomore Father-Daughter Dance, was certainly an appropriate one for such a "swinging" occasion. Despite the fact that the dance was a casuality of the energy crisis and had been postponed from an earlier date, the sophomores and their dates supported the event as strongly as ever.

. . . was the theme of the Freshman Father-Daughter Dance held in the McAuley H.S. Productions Ballroom in March. The starlets and their special escorts began arriving at 8:00 for an evening of dancing to music (everything from disco to slow). The highlight of the evening was the coronation of a trio — the Blessings. Unfortunately, there was only one coronet and bouquet of roses, so Peggy was bequeathed the crown, Patty the roses, and both were awarded dancing rights. Even though the dance ended all too soon, the night was to continue in midnight dining, scrapbooks, and happy memories.

Easter Celebrations — April 10

The snow fell heavily on the last day of school before Easter vacation. The weather certainly did not reflect the spirit of the Easter season, but inside McAuley, Easter baskets and bunnies were shared among friends. That's All Folks!

McAuley Production's all-star cast has "weathered" many storms, always knowing that the show must go on. We sincerely hope that the memories this book may bring will be good ones. In the years to come, perhaps this annual will help all of us to understand the important role we played in this 1976-77 production.
